Subject: SETAC in Sacramento in Nov, annual meeting, short-courses (Sun and Thur)
Attachments: v2_SETAC-Sac-CalScie.pdf

California Water Quality Monitoring Council

<https://sacramento.setac.org/scientific-program/abstract-submission/trainingcourses/>

Hello Jun, Could you please help me promote the short-courses by posting this flyer in your break room or circulate to people whom you think would be interested?

Today is the last day to take advantage of the short-courses offered by SETAC NA for early bird reduced rate. There are two short-course days – a bunch on Sunday and two short-courses on Thursday. Please see the flyer attached.

Please help post the flyer in your break room. Some of the short-courses may cross disciplines.

For local/state/fed government employees, registration for the meeting is ½ off (50% for either member or non-member rate). Enter **GOV18** in the promo code text box when you check out. I think it would still work for the regular registration (after today).
